

SHUSHANT KUMAR

DATA ENTRY OPERATOR | WEB DEVELOPER

ABOUT ME

Motivated and detail-oriented Data Entry Operator with around 4–6 months of hands-on experience in data entry, document management, MS Excel, MS Word, and maintaining accurate records. Strong typing speed with good attention to detail and basic computer knowledge. Alongside administrative skills, I also have knowledge of Web Development including HTML, CSS, JavaScript, and C++. Looking for an opportunity to contribute while continuously enhancing my technical skills.
